

McMillans Road and Mueller Road Intersection Upgrade

Dear stakeholder,

The Northern Territory Government is upgrading the McMillans Road and Mueller Road intersection to improve safety for road users when entering and exiting Mueller Road.

Construction commenced in late-2020 but has been delayed due to wet weather.

Works are expected to resume in April 2021 and be completed by late-May 2021 (weather dependent).

Traffic management is in place and road users are asked to adhere to all signage in the area.

Please see map to view area of works.
