

Alice Springs CBD Revitalisation Project

Project update

Dear Stakeholder,

As part of the Alice Springs CBD Revitalisation project, some road closures will occur on Hartley Street and Gregory Terrace.

Closures will occur from 30 April to 7 May from 6pm to 6am, for the construction of a new roundabout.

Gregory Terrace east bound from the Commonwealth Bank to Hartley Street north bound at Parsons Street will be closed to general traffic.

Motorists are asked to follow traffic management in place during these works.

Access for Emergency Services, the Local Court, and the ASBus service will remain when required.

Hartley Street south bound and Gregory Terrace north bound will remain open at all times, all roads will be open outside of the closures.

Parking will not be available in the affected areas during these closures, however, pedestrian access will remain at all times to all areas.

Access will remain to Yeperenye Shopping Centre car parks at all times.

The bus stop on Hartley Street will remain open for the duration of all closures.

Alice Springs Local Court traffic will be permitted for the duration of the works.

The Department of Infrastructure, Planning and Logistics appreciates your patience while these works are undertaken and will provide regular project updates to stakeholders as the project progresses.
