

## Alice Springs CBD Revitalisation Project Project update

Dear Stakeholder,

As part of the next phase of works for the Alice Springs CBD Revitalisation project, Hartley Street (between Gregory Terrace and Parsons Street) will be closed between 4am and 6pm on the following dates:

- 14-15 October 2023
- 18-21 October 2023
- 23-24 October 2023

Throughout works, existing pedestrian access will be maintained to all business shopfronts. If required, alternative crossings will be established as close as possible to minimise disruption to pedestrians and businesses.

Bus services will not be impacted and will continue to access Hartley Street during closures. All road users in the CBD are asked to follow traffic management in place. Refer to map over page.

Various car parking spaces in the closure area will be temporarily unavailable on Hartley Street for the duration of the works.

The Department of Infrastructure, Planning and Logistics appreciates your patience during the closure dates and will provide regular project updates to stakeholders as the project progresses.
