

# Tiger Brennan Drive Intersection Upgrades

## Tivendale Road and Wishart Road

Dear Stakeholder,

The Northern Territory Government is finalising upgrades to the Wishart Road and Tivendale Road intersection of Tiger Brennan Drive to improve safety and access for road users.

Asphalting will commence Wednesday 25 October and is expected to be completed on Saturday 4 November 2023.

These works will be undertaken between the hours of 6:30PM and 5:30AM to minimise disruption to road users. Detours will be in place and minor delays may be experienced.

**A full road closure will take place from 6:30PM on Friday 27 October, to 5:30AM on Monday 30 October 2023.**

Closure details include:

- Tiger Brennan Drive outbound closed from Berrimah Road intersection,
- Tiger Brennan Drive inbound closed from Roystonea Avenue/ Stuart Highway slip lanes,
- Tivendale Road closed from Angliss Road intersection, and
- Wishart Road closed from Kirkland Drive intersection.

Traffic management planning has identified that suitable alternative routes are available for all impacted movements. These will be communicated to road users:

- a) using Variable Message Signs during the week prior and during closures; and
- b) through appropriate traffic controls and signs during the closures

Motorists are advised to follow traffic management in place.
