

McMillans Road, Northlakes

Pedestrian crossing works

Dear Stakeholder,

The Department of Infrastructure, Planning and Logistics is constructing a new pedestrian crossing on McMillans Road near Northlakes Shopping Centre.

The new pedestrian crossing will:

- improve road safety for all road users, including pedestrians and cyclists, by incorporating a signalised pedestrian crossing and a footpath
- improve accessibility to and from the bus stop on McMillans Road and the Northlakes Shopping Centre

Works are anticipated to commence mid-September 2023 and are expected to be complete by mid-December 2023.

To reduce disruptions during peak traffic times, construction works will be carried out between the hours of 9am and 3.30pm.

Motorists, pedestrians and cyclists are advised to take caution during these works and adhere to the traffic management in place. Temporary lane closures and speed restrictions will apply.

Road users, residents and business owners can like and follow RoadReportNT on Facebook for up to date information as works progress.

For more information, contact Department of Infrastructure, Planning and Logistics Senior Project Manager Victor Jay on phone 0427 634 298 or email victor.jay@nt.gov.au.
