

# Alice Springs CBD Revitalisation Project

## Project update

Dear Stakeholder,

The Department of Infrastructure, Planning and Logistics has received concerns from the community regarding the timing of the closure of Bath Street for Alice Springs CBD Revitalisation works.

As such, road closures for these works will be delayed until after the Finke Desert Race and Bath Street road closure is expected from late June 2022.

Minor works throughout the CBD, not requiring road or sidewalk closures, may still take place during this period.

The Department of Infrastructure, Planning and Logistics appreciates your patience while these works are undertaken and will provide regular project updates to stakeholders as the project progresses.
