

## Richardson Park Community Space

Dear Stakeholder,

The Northern Territory Government is redeveloping Richardson Park to breathe new life into the area and create a community friendly space that also acknowledges the Rugby League history associated with the site.

A contract for the next stages of the project was awarded in February 2022. This package of work is due to commence this month and includes:

- landscaping including grassed areas, trees and activity nodes
- reconstruction of the playing field
- earthworks and stormwater drainage
- services including electrical, water, sewer, telecommunications and CCTV cameras
- a serviced site for the new ablution block and change room facilities
- road extension of Richardson Drive, including carparks, driveways and pathways.

Work hours will be Monday to Friday from 7am – 5pm and Saturdays from 7am – 1pm, as required.

The contractor will ensure that all efforts are made to minimise noise and dust during the works.

A separate tender will be released in the coming months for the building works, which will comprise of the ablutions block, change rooms, storage areas and associated undercover area.

All work on site is expected to be completed in early 2023.

The memorial for Warren “Shadow” Mount will be preserved during the works and reinstated to an appropriate area after the works. The design will also honour and acknowledge other memorials of significance associated with the site.

For more information please contact the Department of Infrastructure, Planning and Logistics on telephone, 08 8946 5135, via email at [communications.dipl@nt.gov.au](mailto:communications.dipl@nt.gov.au) or go to [dipl.nt.gov.au/projects](http://dipl.nt.gov.au/projects)
