

## Alice Springs CBD Revitalisation Project Project update

Dear Stakeholder,

As part of the Alice Springs CBD Revitalisation project, works on the western side (Yeperenye Shopping Centre side) of Hartley Street will commence mid-February 2023.

During these works, there will be intermittent partial closures to walkways, however, pedestrian access will be maintained to all business shopfronts at all times. If required, alternative crossings will be established as close as possible to minimise disruption to pedestrians and businesses.

Road closures to the western side of Hartley Street are expected to occur daily between 6pm to 6am and continue for 3-4 weeks. Vehicle access to businesses along Hartley Street will remain in place with minor disruptions and motorists are asked to follow traffic management in place. See below map.

10 car parking spaces will be temporarily unavailable on the western side of Hartley Street for the duration of these works.

The Department of Infrastructure, Planning and Logistics appreciates your patience while these works are undertaken and will provide regular project updates to stakeholders as the project progresses.
