

Berrimah Road speed limit changes

Dear Stakeholder,

The Department of Logistics and Infrastructure is improving safety across Territory roads for motorists, cyclists and pedestrians by implementing safe and compatible speed limits as per the national best practices.

Findings of recent reviews recommend the current speed limit on Berrimah Road to be modified to reduce risk and provide further consistency with speed limits in the area.

The following speed limit change will take effect on **Saturday 18 January 2025**.

Berrimah Road	Existing speed limit	New speed limit
Between Stuart Highway and the overpass	70km/h	60km/h

Road users are encouraged to please observe and adhere to all speed limits and drive with care.

For more information, contact the Department of Logistics and Infrastructure Principal Traffic Engineer Aftab Abro on phone **8924 7121** or email **Aftab.Abro@nt.gov.au**.
